August 17, 2021

Good Evening Ninth and Tenth Grade Families,

We cordially invite our ninth and tenth grade “Classroom Champions” to Fort Lee High School’s 2021-2022 Orientation Program. This event will take place on Thursday, September 2, 2021. Our ninth-grade program will run from 8:00 a.m.-10:00 a.m. and our tenth-grade program will follow from 10:00 a.m.-12:00 p.m.

We will begin each event in our high school auditorium where students will be introduced to our administrative team and receive pertinent information in regards to school policies and procedures. Students will also be introduced to some members of our School Counseling Team and our Student Resource Officer. Students will remain masked and seated safely throughout this part of the program.

The second part of this event will allow students to tour our facilities and visit their classrooms while getting acquainted with our building and staff. Students will remain masked as they move around the building.

We are excited to have students back to school in person and we hope these activities will better prepare them for the first day of school.

In order to have a successful event we ask for student cooperation in the following areas:

- Please arrive on time using the auditorium door entrance on Lemoine Ave.
  - 9th Grade Students, please arrive by 8:00 a.m. Doors will open at 7:50 a.m.
  - 10th Grade Students, please arrive by 10:00 a.m. Doors will open at 9:50 a.m.
- All students must bring and wear a mask throughout the course of our program. Students should avoid wearing “gaiter”, bandana type, and masks with ventilators as they are not school appropriate.
- Please self-monitor any covid-like symptoms prior to arrival. Students who are feeling sick should stay home. Any information missed, will be shared with you when you are able to return to school.
- All student schedules will be released in Genesis on August 27th. Students are expected to arrive at orientation with a copy of their schedule.

We look forward to seeing our “Classroom Champions” on September 2, 2021. Should you have any questions, please feel free to contact us prior to this event.

Stay Safe and Be Well!
